ADVISORY NOTICE

RE: EMPLOYMENT OPPORTUNITY SCAM TARGETING U.S. AND CANADIAN INDIVIDUALS

The purpose of this advisory is to inform the general public of a social media, e-mail, and telephone scam that is currently targeting the general public in the United States and Canada.

On a regular basis, a group of individuals without affiliation to PENTAX Medical is posing as company recruitment, sales, or marketing representatives and contacting the general public offering employment opportunities. This is an attempt to capture personal information, which may be used for illegal purposes.

If you are contacted with this request, please do not respond and report the individual to the corresponding social media administration. In addition, please inform us via email at GlobalMarketingPLC@pentaxmedical.com .

PENTAX Medical will never request sensitive personal information during the recruitment process.

Sincerely,
PENTAX Medical
